The Conservation Hour

A 10-part series of lunchtime lectures focused around the IHBC core competencies

Starting Wednesday 20th October 2021
with a central IHBC introduction to IHBC full membership application & support

Meeting your CPD needs - Sharing and connecting with building conservation professionals - Guiding you through the Full Membership application process

<i>Session 1:</i>	Full MATE seminar given by IHBC and supported by WM IHBC Branch members (1pm 20/10/2021)	(1 x 3hr)
<i>Sessions 2-9:</i>	based around the competencies required by IHBC for full membership applications or CPD contributions	(8 x 1hr)
<i>Session 10:</i>	chance to ask questions for those ready to submit full membership applications, supported by national IHBC office	(1 x 2hr)

Using the very best knowledge, expertise, and experience from our very own West Midlands IHBC Branch Members* we have curated a timetable of online events which will concentrate on each individual competency and enable our members to showcase and share their projects and provide networking opportunities.

The monthly hour long sessions will run from 12.30pm-1.30pm, enabling you to log on during your lunch hour or play back at your own leisure. Each session will have a different speaker, time for a Q&A on the presentation and a Q&A on the competency and application process.

HELPING YOU SUBMIT YOUR FULL MEMBERSHIP APPLICATION

Need help and support on completing your application? The branch committee have taken on board the comments and feedback regarding the application form and process. These sessions have been designed to help and guide applicants and provide bitesize monthly opportunities with which you can follow along to help you write & submit your application. You can join any or all sessions and will be able to ask questions during each event, especially around submitting your application.

KEEPING YOUR CPD UP TO DATE

Each member is required to undertake a minimum of 50 hours of relevant professional development over a rolling two year period. You can dip in and out of sessions as and when, and we will aim to record each session for those unable to attend.

HOW TO SIGN UP

IHBC MATE Seminar on Wednesday 20th October, 1pm. Please email Rachael Parry Rachael.parry@nationaltrust.org.uk
Sessions 2-10; dates on next page. Sign up by emailing Rachael and info will be provided on the IHBC Branch Twitter page [@IHBCWestMidland](https://twitter.com/IHBCWestMidland), & Branch [Website](#)
Calendar invitations and event links will be emailed out to WM Branch members in due course, along with any further details of the monthly sessions.
